IMPORTANT ELECTION INFORMATION

Supervisor of Elections Ann McFall has announced that sample ballots for the August 14, 2012 election are available online at www.volusiaelections.org. On the main page of the website, all one has to do is select sample ballot in the center column and follow the prompts to see your individual ballot for your specific precinct. Sample ballots will also be mailed to individuals the week of July 23, 2012.

Supervisor McFall also wants all active registered voters to know that due to redistricting new voter information cards will be mailed the week of July 2, 2012. The cards will not only include congressional, state, county and local election jurisdictions but also the polling place name and address. If a person does not receive a voter information card by July 9, 2012, they should call the Department of Elections at (386)736-5930.

For further information, please contact the Department of Elections at one of the local numbers listed below.

If your signature has changed, please update your signature by completing a new Florida voter registration application. It is important to keep your signature updated, so that absentee ballots and/or petition signatures can be counted.
