Polling Location Move for the Presidential Preference Primary Election,
March 17, 2020

Supervisor of Elections Lisa Lewis announces a move for the upcoming March 17 Presidential Preference Primary Election for voters whose registered precinct is 212, Good Samaritan Society–Florida Lutheran.

The precinct is relocating to the Wayne G. Sanborn Activities Center, 815 S. Alabama Avenue, DeLand. Since Good Samaritan Society–Florida Lutheran is an assisted living facility; they are limiting people coming into the facility for the safety of their residents.

“This is truly understandable and we are asking for voters’ compassion and support during this time. We are doing all in our power to prevent the spread of illness,” Lewis says.

The Wayne G. Sanborn Activities Center will be set up as two separate precincts for this election; as all election programming is complete. Voters registered in their respective precincts will follow signs to the correct polling area.

Signs will be posted at the Good Samaritan Society–Florida Lutheran alerting voters to the relocated polling location; the Wayne G. Sanborn Activities Center. Staff will be on site to assist voters.
