Additional Polling Location Move for the
Presidential Preference Primary Election, March 17, 2020

Supervisor of Elections Lisa Lewis announces an additional move for the upcoming March 17 Presidential Preference Primary Election for voters whose registered precinct is 303, John Knox Village Barker Center.

The precinct is relocating to Orange City United Methodist Church, 396 E. University Avenue, Orange City. John Knox Village is an independent living; assisted living; and nursing home facility. An emergency order from the state is limiting people into the previously mentioned facilities for the safety of residents.

“We are asking for voters’ sensitivity and support during this time. We are doing all in our power to prevent the spread of illness,” Lewis says. “We understand relocating a polling location may be an inconvenience; however, I do ask for compassion and patience as we all share the concerns of our voters.”

Each precinct located at the Orange City United Methodist Church will be set up independently of each other for this election; as all election programming is complete. Voters registered in their respective precincts will follow signs to the correct polling area.

Signs will be posted at John Knox Village Barker Center alerting voters to the relocated polling location at the Orange City United Methodist Church. Staff will be on site to assist voters.
