**Voting Has Never Been Easier - There Are Three Ways to Vote!**

**Voter’s Bill of Rights**
Each registered voter in this state has the right to:

1. Vote and have his or her vote accurately counted.
2. Cast a vote if he or she is in line at the official closing of the polls in that county.
3. Ask for and receive assistance in voting.
4. Receive up to two replacement ballots if he or she makes a mistake prior to the ballot being cast.
5. An explanation if his or her registration or identity is in question.
6. If his or her registration or identity is in question, cast a provisional ballot.
7. Written instructions to use when voting, and, upon request, oral instructions in voting from elections officers.
8. Vote free from coercion or intimidation by elections officers or any other person.
9. Vote on a voting system that is in working condition and that will allow votes to be accurately cast.

**Voter’s Responsibilities**
Each registered voter in this state should:

1. Familiarize himself or herself with the candidates and issues.
2. Maintain a current address with the office of the supervisor of elections.
3. Know the location of his or her polling place and its hours of operation.
4. Bring proper identification to the polling station.
5. Familiarize himself or herself with the operation of the voting equipment in his or her precinct.
6. Treat precinct workers with courtesy.
7. Respect the privacy of other voters.
8. Report any problems or violations of election laws to the supervisor of elections.
9. Ask questions, if needed.
10. Make sure that his or her completed ballot is correct before leaving the polling station.

Note to Voter: Failure to perform any of these responsibilities does not prohibit a voter from voting.
In compliance with the Help America Vote Act of 2002, Volusia County uses the DS200 Tabulator and an ExpressVote marking device in each polling place. By Florida Law, all voting shall be by marksense ballot (paper ballot) with the exception of persons with disabilities.

**DS200:**

A person is issued a marksense ballot (paper ballot) and directed to a voting booth for privacy. The voter inserts the ballot into the DS200 Tabulator which reads, records and stores them in a locked ballot box.

1. To vote, completely fill in the oval next to your choice.
2. If you erase or make other marks, such as a ✓ or an x, your vote may not be tabulated.
3. If you make a mistake, ask for a new ballot. You may receive up to two replacement ballots.
4. To vote for a Write-In candidate, fill in the oval next to the blank line provided and write the candidate’s name.
5. Review both sides of your ballot before casting your vote.
6. When you have finished marking your choices, insert your ballot into the DS200 Tabulator.

**ExpressVote:**

The ExpressVote provides a means for voters who need assistance in voting to mark and print a card that is readable, verifiable and audit-able. A Poll Worker will program a ballot by inserting an activation card. If needed, headsets and a keypad are provided. Ballots may be marked two ways:

1. Visually, by making selections on the screen; or
2. Audibly, making selections on a keypad in response to audio prompts heard on headphones.

Once you have finished marking your choices, the activation card will print your ballot and eject. You will then insert your ballot into the DS200 Tabulator.

Note: Once a ballot has been deposited into the ballot box, a voter may not receive another, even if they indicate that they made a mistake or failed to mark any part of the ballot.

**Sample Ballot**

Prior to each election, a Sample Ballot will be:

☆ Available on our website, www.volusiaelections.org
☆ Mailed to registered voters who do not receive a vote-by-mail ballot
☆ Published in a newspaper of general circulation the Sunday before the start of Early Voting
